We All Have To Start Somewhere....

A summer job can be a great way to earn extra cash, make new friends and try new things. At the same time, it might help you find out what you would like to do for work when you've graduated school and build the skills that employers will be looking for.

Can you believe the part time and/or summer jobs these famous celebrities started off with?...

- ◆ Popular R&B singer, Beyonce, swept hair and worked at the front desk of her mom's salon
- ◆ Hugh Jackman, aka "Wolverine" worked as a clown
- ◆ Famous actor, Matthew McConaughey shoveled chicken manure

So, try not to be discouraged if you don't land the summer job of your dreams either. Instead, enjoy the challenge and remember each bit of work experience counts. Just like the "celebs", we all have to start somewhere!

Check out our job posting boards. Camps, government jobs, pools and landscaping companies are already posting for the summer!
